

SNOWMEN ON A STICK

Ingredients (options)

Body: Bananas

Hat: Apple piece and Grape

Nose: Carrot

Arms: Pretzel sticks

Eyes and buttons: Mini chocolate chips

Bamboo skewers

Be creative!

Kids love to cut bananas, and you can have them do so with a butter knife for better safety. An adult can pre-cut carrots and apples. (Tip: Poke a hole in the apple piece with a bamboo skewer first to make assembly easier).

Have fun and Enjoy!
